Portfolio :: Custom Stainless Steel

Dell Plant Cafeteria – Nashville, TN

ADDRESS:

1 Dell Parkway,
Nashville, TN 37217

PROJECT INFORMATION:

During the construction of the cafeteria, RD Herbert fabricated all the stainless steel fixture accessories including sneeze guards with integrated glazing, tray rails, and vent covers.

DETAIL:

The six-inch top and bottom trim compliment the other stainless steel accents while protecting the walls from damage. The second photo highlights the cafeteria line's sneeze guards, tray rails, and supports.
