Harpeth Hall: Souby Hall – Nashville, TN

ADDRESS:

3801 Hobbs Road
Nashville, TN 37215

ROOF SYSTEM:

Evergreen Slate Unfading Red roof; Copper 16-oz flat lock roof & Carlisle 60 mil white TPO roof

ROOF AREA PROFILE:

3,600 square feet slate
600 square feet copper
1,300 square feet TPO
Roof Replacement

PROJECT INFORMATION:

Formerly the P.M. Estes estate, Souby Hall housed the entire school when Harpeth Hall first opened in 1951. Named for Susan Souby, the first Head of School, Souby Hall is the heart of the Harpeth Hall campus. This building contains offices for the Head of School, Admissions, Communications, the bookstore, and the Business Office.

DETAIL:

RD Herbert tore off the existing slate, TPO and copper. The new roof consists of three roof types: Evergreen slate, copper flat lock and Carlisle TPO roofs. The scope of work also includes 16-oz copper built-in gutters, step flashings, drip edge, metal valleys, and counter flashings all fabricated and installed by our sheet metal shop.
