and Associates
Jacksonville, FL

GENERAL CONTRACTOR:

Choate Construction
Atlanta, GA

ROOF SYSTEM:

Soprema Mod-Bit 2-Ply Roofing
System

ROOF AREA PROFILE:

16,000 square feet
New Construction

PROJECT INFORMATION:

This new 14 story upscale, urban condominium complex, located near world famous Music Row has access to downtown, the Gulch, Vanderbilt and many other Nashville landmarks. Housing 98 units with a fifth level amenities deck and convenient retail/office space at street level, residents should feel very comfortable in their urban space.

DETAIL:

Multiple levels of roofing and 1077 linear feet of shop-fabricated coping create levels of interest for this building. The roof is constructed from a 2-ply torched-down Mod-Bit roof. The scope of work additionally included metal counter flashings, a decorative ledge, gutters, and downspouts.
